

Wild Sparks is recruiting!

Nursery Early Years Practitioner Wee Wild Sparks Outdoor Nursery

Wee Wild Sparks Outdoor Nursery delivers fully outdoor early years childcare and education in Perthshire for 3-7 year olds in a beautiful woodland environment. Our expanding team is looking to recruit a part-time practitioner.

The current post will involve working Tuesdays in the outdoor nursery, alongside the Wee Wild Sparks manager. There may be additional days available in the future. We are looking for an inspiring, nurturing practitioner, with the ability to remain calm and provide for children's needs in even the most adverse weather conditions.

You will have demonstrable interest in outdoor education and a thorough understanding of the Forest Schools or Nature Pedagogy approach. You will have, or be willing to work towards, a relevant early years qualification at SVQ level 2 or higher, and the ability to register with SSSC at practitioner level.

In return Wee Wild Sparks will offer individualised mentoring and CLPL opportunities to further develop your career. Additionally there will be the to work with our existing playscheme, educational outreach and CLPL programmes.

For more information and a full job application pack please contact Office@wildsparks.co.uk
