

## Wild Sparks is recruiting!

**Teacher - Manager**

**Wee Wild Sparks  
Outdoor Nursery**

Wee Wild Sparks Outdoor Nursery delivers fully outdoor early years childcare and education in Perthshire for 3-7 year olds in a beautiful woodland environment. Our expanding team is looking to recruit a part-time nursery teacher/manager.

The post will involve working Mondays and Tuesdays in the outdoor nursery in the capacity of both teacher and service manager. Additionally you will oversee a programme of family activities and events. You will be expected to supervise and mentor junior staff and work within a small, close team of outdoor learning practitioners.

We are looking for an experienced, qualified teacher with specific history of working with early years, additional support needs, outdoor learning and in a management role. You will be level 3 Forest Schools trained, with significant experience of delivering outdoor play and learning in an early years setting, and the ability to develop and implement a nature based curriculum for the nursery.

The Manager-teacher will need to be extremely well organised and able to juggle a varied workload, including taking the setting through the Care Inspectorate inspections, writing and implementing policies, developing professional partnerships with the Local Authority, relevant childcare support agencies and other community groups

You will have significant experience and a passion for outdoor education and a thorough understanding of the Forest Schools and/or Nature Pedagogy approach. You will be a qualified teacher and have, or be willing to work towards, a relevant early years qualification at SCQF level 9 or equivalent, and the ability to register accordingly with SSSC or GTCS.

In return Wee Wild Sparks will offer individualised mentoring and CLPL opportunities to further develop your career.
